# What We Do?

## Dry cargo

We focus mainly on Developing close relationship with charterer from following dry bulk sector,

- with Iron ore exporter from East coast of India to various countries
- Coal importers into India from Indonesia / South Africa and Australia
- Aggregates buyers from Persian Gulf
- Indian Coastal shippers for Coal / Iron ore

Not only limited to above mentioned, but we are also exploring new cargo exporter on shipping routes other than mentioned above.

We provide consultancy services for vessels in following sizes,

- Handymax
- Supramax
- Panamax
- Cape size

## Tanker & Projects

As part of our strategic growth plan, we plan to expand our services to include Tanker and Project cargo consultancy soon.

## Research

*We Provide:*

- Daily/Weekly/Monthly Reports on
- Dry freight (cape/panamax/supra/handy)
- Fuel oil
- Iron ore
- Coking coal
- Latest fixture report
- News affecting the dry freight market

Look forward to working with you and building long term mutually beneficial relationship with your esteemed organization.
